

Density of the vote margin, by state

0.5pp bins within ± 10 pp of the threshold; the Texas discreteness is visible at the smallest electorates

Texas (n=2,290)

California (n=1,285)

Wisconsin (n=566)

Louisiana (n=129)

North Carolina (n=69)

McCrary log-density: pooled +0.140 (z 2.58); TX +0.206 (z 2.71); all other states n.s. Donut estimates (Table A1) are stable to 1
